TRAINING INSTITUTE

Think. Do. Become. ...find your path with us

This prospectus contains information about Certa Support Training Institute (CSTI) and our care education courses. CSTI is an elite vocational training school that is the main vehicle for people development under Certa Support Nig Ltd.

In support of the government initiative on vocational education, our aim is to educate and upskill students with the knowledge and expertise to professionally execute excellently in their chosen field.

Our training team are outstanding individuals who have been carefully selected for their industry experience and their outstanding communication and people skills. They are dedicated, enthusiastic and professional trainers with tireless commitment. Classes are conducted in a uniquely caring and friendly learning environment. Our teaching method is student centered.

Take ownership of your future through education and empowerment

OUR COURSES

Our courses are based on the philosophy that no one should work unsupervised with children without child care training. All our childcare courses are developed based on Early Childhood Care Education curriculum, especially ideal for child care specialists whose roles are to provide the highest level of customized childcare.

Our curriculum is designed to make our students stand out in the area of **critical thinking, problem solving, adaptability, and being equipped with the most important skills** required to be effective as a 21st century care giver.
